CAMPUS PAST QUESTIONS

SAMPLE DOCUMENT — REPLACE WITH AN AUTHENTIC PAST QUESTION PAPER

COM 214 — Computer Networks

Department: Computer Science

Level: ND2

Semester: Second Semester

Academic session: 2023/2024

IMPORTANT:

This is a demonstration PDF included to test the website's preview and download features.

It is not an authentic institutional examination paper.

Replace this file with an authorized past-question PDF before presenting the project as a real repository.

Suggested document content:

1. Examination instructions and duration.
2. Section A — objective or short-answer questions.
3. Section B — theory and problem-solving questions.
4. Course-specific questions from the relevant academic session.
