CAMPUS PAST QUESTIONS

SAMPLE DOCUMENT — REPLACE WITH AN AUTHENTIC PAST QUESTION PAPER

MTH 111 — General Mathematics I

Department: Mathematics

Level: ND1

Semester: First Semester

Academic session: 2024/2025

IMPORTANT:

This is a demonstration PDF included to test the website's preview and download features.

It is not an authentic institutional examination paper.

Replace this file with an authorized past-question PDF before presenting the project as a real repository.

Suggested document content:

1. Examination instructions and duration.

2. Section A — objective or short-answer questions.

3. Section B — theory and problem-solving questions.

4. Course-specific questions from the relevant academic session.
